I CAN & I WILL

“Sea waves are amazing”, not because they rise and fall, but because they never fail to rise again. For a person battling cancer, every day is a journey with new challenges. Your persistence pushes you through the tough moments and you continue to move forward even when exhausted regardless of obstacles. Setbacks and disappointments are a part of life, but it is how you respond to it, that makes the difference. Use them as an opportunity to comeback stronger.

“ Be persistent like the waves; they always rise after a fall. ”

Abhivyanjana Dec 2025 making a difference...

Mitra CanCare Foundation organized “Abhivyanjana Dec 2025”, a fundraiser event on Saturday, 20 December 2025, at Bangalore Gayana Samaja. The Hamsanada Foundation presented "Breath of India" along with Shri Saitejas Chandrashekar and 13 exceptional budding Harmonica artists, accompanied by Amithraj

and Band, bringing their own depth, emotion and brilliance to the stage.

The program started with an invocation song rendered by Ms Shruthi and lamp lighting, followed by a welcome address by Dr Suneetha, Member of Medical Advisory Council- Mitra CanCare Foundation. The introduction and recognition of the artists was followed by a mesmerising performance by Hamsanada artists Mr Saitejas Chandrashekar and a team of 13 upcoming Harmonica artists. They brought a refreshing blend of Kannada, Hindi filmi melodies and folk songs with some old peppy numbers, which took the audience back to the golden era. The Band included Mr Amithraj on Tabla and percussion, Mr Abhishek M A on Rythm Pads, Sangeeth Thomas and Melvin Leema on Keyboard. Team Hamsanada delivered an experience that was both unique and unforgettable. Everyone who attended this program praised and appreciated the talented young performing artists.
